2009/2010 NCAA BASKETBALL FORMAT PRODUCTION NOTES

STATION ID

A ten-second window for station identification will be provided near the top of each hour on this cue:

"LET'S PAUSE 10 SECONDS FOR STATION IDENTIFICATION, YOU'RE LISTENING TO COMPASS MEDIA NETWORKS, AMERICA'S NEW HOME FOR COLLEGE BASKETBALL

OVERTIME

If the game goes into overtime or additional timeouts are taken, network may take additional breaks. When the game concludes, the format would resume as normal with POS 16 being a network break signaling end of game.

Followed by POS 17 (LOCAL)

COMMERCIAL SEQUENCE

The Network is not always in control of when commercial breaks can be taken, as this is often dictated by game play or the organization televising the contest. As a result, some commercial positions may not air in the exact order that they are scheduled on the above format. For example, should a game quarter end before all the formatted commercial positions have aired, the Network will jump ahead and go to the break scheduled for the end of that quarter. Any skipped commercial positions will be made good at the first available opportunity.

STATION MAKEGOODS

If any Station Positions are not accommodated as scheduled, make goods will be given at the first available opportunity with the cue: YOU'RE LISTENING
